Terrace Restaurant

We are pleased to announce the return of the hugely popular Terrace Restaurant at the RORC Cowes Clubhouse for Cowes Week.

Open for lunch and dinner throughout the week. We are delighted to welcome Olivio Terra, Head Chef of the RORC London clubhouse, as our guest chef at the Terrace Restaurant this year. Olivio has dazzled members and guests at the London clubhouse, and will create an array of exciting and delicious dishes to tempt you. From the traditional RORC burgers and classic light salads, to our spectacular shellfish platters and grilled steaks the Terrace Restaurant caters for all.
